2018 JAN 11 P 3:56

Dear Clerk of the District:

After recent communications with the MWRD and its staff relating to the referenced Petition for Variance, we agree that the granting of the Variance requested would not result in a benefit to the Project as the Ordinance section noted in the Petition does not restrict the construction of the Structure. With this understanding, we are hereby withdrawing the referenced Petition of Variance from further MWRD consideration.

We would like to thank the MWRD and its staff for their time and efforts in working with us relating to this Project and its Variance process.

Please feel free to contact our representative, Eriksson Engineering Associates at 847-223-4804 with any questions relating to this Notice of Withdrawal.

Very truly yours,

Jean Allaume
